Fundraising with Hamilton Farms!

Thank you for your interest in running a fundraiser sale. Fundraising opportunities are available in the spring (selling annuals), fall (selling mums) and at Christmas (selling poinsettias, wreaths and/or roping). We offer two types of seasonal fundraiser sales, a ***plant sale*** or a ***certificate sale***.

A ***plant sale*** involves taking orders for specific plants available on that season's order form. Delivery or pick up is available and should be scheduled as soon as you make the decision to run your sale with us. Order forms and pricing along with terms and conditions are available upon request.

A ***certificate sale*** entitles the end user, your customer, the opportunity to shop our greenhouse and redeem their certificate for any of the plant varieties listed on the certificate. Instead of taking orders for specific plants, you take orders for certificates. Certificates are available for flats, hanging baskets, 5" pots, 9" mums and 6, 8 or 10 inch poinsettias.

All certificates have an expiration date they must be redeemed by therefore, it is important to distribute certificates to your customers as soon as you receive them. The expiration date ensures availability. Redemption after expiration is permitted and subject to availability.

Please note that a certificate sale **DOES NOT ALLOW** you to take orders for specific plants and then redeem them with us. It is meant for the end user, your customer, to come here. If you would like to take orders, please consider a plant sale. An order form, pricing and terms and conditions are available upon request. Please contact us as soon as you make the decision to run a certificate sale.

Should you have any questions or need additional information, please call or email our Wholesale office.
